April 1, 2022

Dear Customer:

At our most recent Frognot SUD Board meeting on March 18th, the Board of Directors approved a rate increase effective April 1, 2022.

We are experiencing unprecedented rising costs including production costs, costs of repairs, electricity rate increases, increased chlorine costs and continued rising fuel costs. As a result, to ensure quality water service, this rate increase was a necessity.

The new Rate Schedule is as follows:

Monthly Minimum:

¾ inch meter: \$38.00
1 inch meter: \$59.00
1 ½ inch meter: \$113.00
2 inch meter: \$221.00

Tier (gal.):

0-5,000 gallons	\$6.50 per thousand gallons
5,000-10,000 gallons	\$7.00 per thousand gallons
10,001-15,000 gallons	\$8.00 per thousand gallons (no change)
At or above 15,001 gallons	\$11.00 per thousand gallons

Thank you,

Frognot SUD Board of Directors
